WHAT'S HAPPENING AT CAMP

a little recap...

MAY SERVICE CREWS & RETREATS

We enjoyed the transition to warmer weather during May and hosted a variety of Retreats and Service Crews here at Camp Comeca. In the beginning of the month, when school was still in session, we had an excellent group of young people from Cozad Public Schools join us during Cozad Cares Day. They helped clean up flower beds, prepped the showerhouse for summer, and tackled a few other odd projects. Another team from Faith Christian School in Kearney, NE helped with yard work and clean-up at Comeca Cove.

The VIM Team from Kansas joined us at Comeca for a full week of construction! They renovated our Cabin #3 and it is looking good! Later in the month, we had a group of friends who live locally come to paint the doors in the dining hall. The Sutton Federated Church brought their Youth Group for a few days and they cleaned, organized, and painted.

We are so thankful for each of the Service Crews who came to bless Comeca with their skills and willing hearts! We are ready for a busy June & July with camp looking great!

We also want to thank each of the individuals who contributed donations for our Market Day Fundraiser at Tractor Supply on May 12th! Even in the rain we managed to raise nearly \$1,000 that day (That was a lot of cinnamon rolls & cookies!!) And for those who have sent "Surprise Packages" from our Amazon Wishlist this month- we want to say Thank You to you also!! It is so fun to share the joy of opening each #surprisepackage with our staff! If you would like to see our Wishlist, just click the link below to amazon.com:

In May, we also had Retreat Groups here at Comeca! High School Seniors from both Cozad HS, and Kearney Catholic HS came for day retreats. The Cozad Swim Team that has been using our indoor pool for practices finished their indoor training in May and will join us again once the summer season ends. We also hosted friends from Gothenburg UMC, a pastor retreat with guests from Lexington, NE, a large group of students came for an Annual Lutheran Confirmation Camp, and finally the Cross Country Teams from Lexington High School came for overnight retreats doing team-building activities and helping to build up our trail system!

MEET OUR SUMMER STAFF!

We are proud to present the 2018 Comeca Summer Staff! We gathered for Staff Training during the last weeks of May and are so pleased with the team that God has provided! Doing ministry alongside these individuals has already been a blessing, and we can't wait to grow closer together and share Christ's Love with our campers through June and July! #CampStaff
